Wonderful, light fragrances being used with aerosol technology. They are used to eliminate offensive odors in the air caused by smoke and cooking. Formulated to mask and remove offensive odors in the air and close quarters. Spray regularly in bathrooms, sick rooms, nursing homes, basements, and smoke-filled rooms in homes, motels, hotels, or banquet facilities. Leaves a fragrant aroma.

Atomized mist quickly travels throughout the area sprayed, releasing the fragrance to provide complete deodorization instantly.
